

The World's in Our Hands

What were you focusing on in your learning? (Big Idea, Key Concepts, Big Task)

- \* Beliefs
- \* Culture
- \* Identity

What have we learnt?

- \* each country has a different culture.
- \* everyone has a different identity.
- \* Ireland has alot of beliefs like St Patricks day is what they do every year.

What was your process for your learning?

- \* We first had a hook-in day to hook us in to the topic
- \* Then we had time with other classes to learn about a country of our choice.
- \* We learnt about each of the key concepts, and they are: beliefs, culture and identity.
- \* We then learnt about our own identity.
- \* We also learnt about the different cultures in different countries.

What was your process for your learning?

- \* Then we thought about what we believe in.
- \* After that we got to pick our countries to do research on and we could do it with a buddy or buy ourselves.
- \* Then we thought out a timeline for steps until we could do our itinerary.
- \* Then on ical we mapped out a couple of weeks of a trip to our country.
- \* Then we made the documentary/multimedia presentation.

Share some key facts/learning that stands for you! Jake

# Ireland

- \* I learnt that ireland has a lot of culture.
- \* I also learnt that ireland is famous for it's big castles.
- \* Ireland has lot's of cool dancing such as tap.
- \* irelands has a lot of party's.
- \* St Patricks day parade is really big in Ireland.
